Ooshima Hiboko
Voice Actor

Are you
underestimating
me?

I tried to get
Ooshima-san
to change
some things
to improve a
game, but in the
end all I did was
make things
more difficult...

No no

I'm not
underestimating
you mademoiselle.

Shirai Sueno
Project Manager

Uwa...

What's
wrong
with her?

What

That is just wrong.

It's

Now let's re-record Reiko's first night scene.

Got it.

A real

Just wait and you'll
see what the
realm of a real

Hello, we
are about
to start
the re-
recording.

Remember!
That time...
and those
feelings...

TUN: That's not his hand, it's his dick.

! Come to think of it...

Back when she was a woman we had her with a bunch of stuff to help get her lines feeling more realistic.

Normally she'd be able to turn a scene that would need to be retuned into something perfect when she does her best!

Even if it's Ooshima-san, those mistakes aren't acceptable.

para para para~

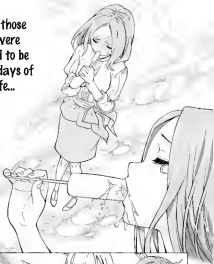

You may not be able to see it, but she is acting out her first time.

My eyes!

I can see it!!

第9話 Choices

For me to catch the Japanese cold, it must have been because I overworked myself.

Oorui Yoshiki (Sempai)

I need sleep!
Sleep is the
best medicine!

This is just like

Burger!

I've got the
chills and a
huge fever.

The
fuck is
that?

I'll do my
best not
to disturb
you!!

Otherwise I
won't be able
to forgive
myself!

Fanaru?

Despite my
looks I'm
good at
cooking.

That's
right! Am
you
hungry?

There could
you make
something?

T.L.N. the fuck?

Nobody could ever fuck up this badly, even if it was their first time!

It is because supposed to be a scrambled egg? And what about that yolk?

Alright

I didn't mean for it to be like this...

★ Kick her out of the house ◀

★ Ask her if she's alright and help her up

★ Turn with the force of a thousand cars at over her

What's this I can see
choiced? Have I joined the
dark side?

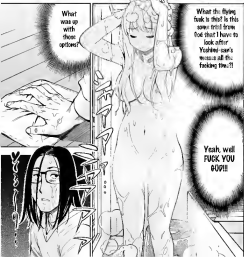

Power it, why
do I have to
do this while
I'm sick!

I'm sorry.
I'll be
finished
soon

What
was up
with
those
options?

What the flying
fuck is this
over-trial from
God that I have to
look after
Yoshino-can't
weasel all the
fucking time?!

Yeah, well
FUCK YOU
GGP!!!

What's happening here? Eroge choices should only show up for you for the girl who's roots you want to go off!

What!?

Peek!

I won't peek!

Give her a semen shower!

She's of no importance to me!

Stay calm! We're talking about the completely useless senbonshi slit Yashiro Yashiro!

EGメーカー②

I'm
sorry
I'm so
useless.

I just wanted
you to hurry up
and get well!

I just wanted to
repay you since
you're always
helping me so
much at work.

In the end all I
did was cause
you trouble,
I-L...

It's lonely
when you're
not sitting
there next to
me, scorpi.

Hehe, sorry
for blurring
that all out.

Yoshimi-san
was just trying
to help me, and
yet here I am
treating her like
shit.

I mustn't think
of such a pure
girl as just a sex
object!

I'm sure the reason all
these pathetic choices
started popping up was
because I unconsciously
started having lewd
thoughts about
Yoshimi-san.

Ummm
Sengai

Do you have any clothes I can borrow until mine dry?

Lend her clothes

Rip off her bath towel

Embrace her

Fear God of Eroge

What are you trying to tell me to do?

God of Eroge Haha. Peek her cleavage!

The User's Feelings

It's been about 8 years hasn't it? It's great to see that you're doing well.

Ara. Has it really been that long?

I can't believe she's the one that drew that thing! Shey did it!

Gee... She's too odd!

Ok, a married.

Nice to meet you, I'm Yoshino Yuzuki.

I've been doing this for 20 years. Time seems to fly right by.

She's older than me??

It's been about 20 years. Time seems to fly right by.

And she's been at this for 20 years...

When was she born?

Ara ara, his
hands are
searching for
something

That is great
for you, Naoica
-chan

It is his
first time
as well...

And now his
hand finally
reaches the bra
and...

Aaaaah~
hth~
hthna~
aaaaa

And then
the bra
hooks...

How
was
it?

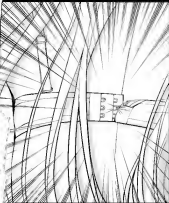

Ha...
Ha...

Ha

Ha

Do not
come off

2 of the 3
hooks are
still stuck...

It's
okay,
really!

Sorry...
I've had at
this...

Ahh Your
Master gets
depressed

Yoshimi-san,
artists in our
line of work
can't just draw
whatever they
want

90% of all men
want to be able
to confidently
remove a girl's
bra hooks

Our
protagonist
is like that
as well

That is
the job of
a key
frame
artist

To draw
what the
user
wants to
have
drawn

I was only
thinking about
the character's
feelings

I wasn't
thinking
about the
sins of all

I'm sorry
Chikubin
Jirou
-sensei!!!

I'm... so...
sorry...

Me?

I think for
sure you
will become
a great key
frame
artist

Get it out,
Screw!

Gumi-kun!
You really
dots over this
girl, don't
you?

It's
about
time.

We need to
head back
to the office
so we can
pull an
all-nighter.

Sempai.. Even
though the
deadline is so
close... Did you
bring me here
so that I could
realize the
user's feelings?

See you

Yes!!
